

About our pricing

Couples often reply that our packages are refreshingly simple, love that they are all inclusive, and don't have to spend additional money after the wedding. Delivery of images online within days! We are excited for you to see the images, so want them in your hands as fast as possible! Image disc and on-line gallery of all your wedding images are also available on a private website for viewing and ordering. Getting to know you

One of the most important aspects of selecting a photographer(s) is identifying with them. On the flip side, we feel that getting to know you is equally important. This is why we offer the "Get to know you" photo session to all of our clients for just \$89. Just as on your wedding day, we allow real moments to occur and capture those naturally. It is a casual environment and a great chance for you to see the professional and friendly manner in which we work ([view sample gallery](#)).

Quiet season Discount, Reservation, and Payment Terms

Special consideration is given to weddings in the quiet months of New England (Nov-May). If you have a need that is not listed above, just let us know and we will make every effort to accommodate. A non-refundable retainer of 1000 is required to reserve your wedding date ~ Checks and all major credit cards are accepted. Prices and terms subject to change until booked.
